

Teamwork in School-Based Policing.... Sharing our Resources

SCHOOL RESOURCE AND D.A.R.E. OFFICERS...SAVE THESE DATES! MONDAY - WEDNESDAY, JUNE 25 - 27, 2018

These dates have been selected for the

SCHOOL RESOURCE OFFICER AND D.A.R.E. OFFICER COMBINED CONFERENCE

Please mark your calendars now for the 2018 combined conference to be held at the Columbus Crowne Plaza, Dublin, Ohio! Join your fellow SROs, DARE Officers, School Administrators and staff members for three days of educational sessions and networking with those who are dedicated to keeping Ohio's school children safe and drug free.

We are in the midst of scheduling exciting presenters to provide timely educational sessions on essential school-based policing, school safety, and drug education topics. Training in the new *D.A.R.E. High School Curricula* will be offered.

The conference format is designed to lower the training expenses and lessen administrative paperwork for law enforcement departments. The conference program minimizes attendee's time away from home and work while still providing highly valuable training in preparation for the next school year.

A "bundle" registration fee will cover overnight accommodations, meals, breaks, conference materials and door prizes.

Bring the family to enjoy the accommodations and the surrounding area that Crowne Plaza Dublin has to offer. Please plan now to ensure your registration to this valuable conference!

A registration form including registration costs and additional information will follow by December 1
...stay tuned and utilize our websites www.dare-oh.org and www.osroa.org to view the latest news!
