School Based Policing Supervisory Course

Wednesday, February 22, 2023

8:00 am – 4:00 pm

Genoa Township Police Department (Northeast Columbus Area)
6921 Big Walnut Road, Galena, Ohio 43021

You supervise in a time where it's important to be connected to your SRO/School Based Policing and the school(s) they serve. *You are expected to properly supervise those in the school environment.* This course provides instruction to law enforcement supervisors who have the responsibility of implementing, supervising, managing, and evaluating school-based police officers and/or programs. The schools are not the streets, nor should they be policed as such, but schools can be populated sometimes like small cities and share similar concerns. Creating and maintaining a successful SRO/School Based Policing program is the primary goal of every supervisor and school administrator. This one-day class is to provide supervisors/school administrators with information, skills, and strategies to develop, coordinate, and maintain a successful SRO/School Based Policing program in their school communities.

Instructors:

- The instructors for this course are Command Level, Education Administrators, School Security Professionals and School Policing Legal Experts

Who Should Attend:
