**Cost:** **Member** Registration fee is **\$250** **Non-Member** Registration fee is **\$305** and includes a one-year OSROA Membership.

**Cancellations must be made 72 business hours prior to the training date.**

**Please Note:** This training has a maximum attendance of 100 registrants. Transportation, lodging, and meals are the responsibility of the registrant.

**Registration Deadline:** March 25, 2024, or class reaching full capacity.

### **CURRICULUM OVERVIEW**

- **School Safety Overview** – Refresh the purpose of school-based policing.
- **The SRO Roles in Schools** – Know the changing expectations and responsibilities.
- **Threat Assessments & The SRO** – Understand the SRO role in threat assessments.
- **SROs & Incident Action Plans** – Gain knowledge in developing action plans for extracurricular after school activities.
- **Legal - Slightly Different Perspective** – Learn what the legal approach is to protecting students and why SROs are an important component to the overall safeguard of students and the school community.
- **ASSEST Awareness for SROs** – SROs need to have a better understanding of HB 99 and the *Armed School Staff Essential Training Program*.
- **Legal – School Law Update** – Receive updated and reminders of school associated laws while being an SRO.
- **CPTED for School Based Policing** – Learn the entry level aspects of CPTED and improve your campus safety practices.
- **Current Threats/Trends to Schools** – SROs need to be aware of the current trends that are disrupting educational environments.
- **SROs & The Recovery Process** – SROs are key players in the aftermath crisis response plan. Learn how to better serve your school community in the event of a crisis.
