Ohio School Resource Officers Association presents

School Based Policing
SRO ADVANCED COURSE

Tuesday & Wednesday November 4 & 5, 2025

Cybersecure/Tyler Technologies Building
1 Tyler Way, Moraine/Dayton, Ohio 45439

The OSROA *School Based Policing Advanced Course* is a 2-day block of instruction that focuses on School Based Policing advanced training and techniques. The Course is designed for those who desire to learn more and become elite in the assignment of school-based policing. The training site is hosted by SecureCyber. This course is in-person & virtual...We encourage in-person.

Prerequisite: It is recommended that attendee has successfully completed the OSROA or NASRO SRO Basic Training 40-hour course. OSROA reserves the right to require documentation, accept and deny applicants into SRO trainings.

CURRICULUM OVERVIEW

- **Dark Web & Investigations** – Information that every SRO should be aware of in today's internet and social media world.
- **Legal – School Law Update** – Receive updated and reminders of school associated laws while being assigned to a school.
- **TECIP Awareness** - The Traumatic Event Crisis Intervention Plan (TECIP ™), a program developed and taught to schools and districts how to develop sound aftermath crisis response plans, along with providing practical strategies and support materials in helping those impacted.
- **Legal - Slightly Different Perspective** – Learn what the legal approach is to protecting students and why SROs are an important component to the overall safeguard of students and the school community.
- **School Safety Overview** – Refresh the purpose of school-based policing.
- **The SRO Roles in Schools** – Know the changing expectations and responsibilities.
- **Threat Assessments & The SRO** – Understand the SRO role in threat assessments.
- **SROs & Incident Action Plans** – Gain knowledge in developing action plans for extracurricular after school activities.
- **Current Threats/Trends to Schools** – SROs need to be aware of the current trends that are disrupting educational environments.
- **De-escalation Awareness** - School Based Policing.
- Topics may be subject to change to best fit the current trends and topics for school-based policing.
