

Ohio School Resource Officers Association presents

## **School Resource Officer (SRO) Basic Training**

Clark State Community College  
LRC Rooms 207-208  
570 E. Leffel Lane, Springfield, Ohio 45505

Monday – Friday June 15-19, 2026

The Ohio School Resource Officers Association (OSROA) 40-hour SRO Basic Training is HB 318 compliant. Over 15 professionals from the fields of school safety, legal and education share their professional knowledge and insight during this five-day training with the goal of properly preparing law enforcement and retired law enforcement for school-based safety assignments. This 40-hour course will cover SROs key responsibilities, school law/legal, Memorandums of Understanding (MOU), tips on integrating the SRO into the school environment and much more. Upon completion, attendees will receive a OSROA SRO Basic Training Accreditation pin and certificate. The OSROA SRO Accreditation Program is approved by the Ohio Attorney General's Office.

## ***School Resource Officer (SRO) Basic Training***

Clark State Community College  
LRC Rooms 207-208  
570 E. Leffel Lane, Springfield , Ohio 45505

Monday – Friday June 15-19, 2026

**Below are the requirements that OSROA reviews to accept applicants into the SRO Basic Training.**

**Option 1:** Applicant is a sworn law enforcement employed by a Law Enforcement agency fulltime, part-time, or auxiliary and assigned or will be assigned to a school.

OSROA recognizes the importance of having professional and highly trained safety personnel in our schools and around our children. Therefore, OSROA offers Option 2 to those who meet a high standard but are not commissioned any longer. This option offers the same training as Option 1.

**Option 2:** Applicant is a retired law enforcement, LEOA (HB 218) certified and is employed directly by a school district to be a School Safety Officer (SSO).

OSROA reserves the right to require documentation, accept and deny applicants into the SRO Basic Training.

*Please go to the Ohio School Resource Officer Association website at [HTTPS://OSROA.ORG](https://osroa.org) and click on SRO Basic Training to register for this training.*

***Training Cost \$495***
