

ADVANCED SRO COURSE

Washington Township Administration Building
6200 Eiterman Rd, Dublin, OH 43016
Building

Monday & Tuesday July 20 & 21, 2026
8:00am-5:00pm

The OSROA *School Based Policing Advanced Course* is a 2-day block of instruction that focuses on School Based Policing advanced training and techniques. The Course is designed for those who desire to learn more and become elite in the assignment of school-based policing.

Prerequisite: It is recommended that attendee has successfully completed the OSROA or NASRO SRO Basic Training 40-hour course. OSROA reserves the right to require documentation, accept and deny applicants into SRO trainings.

CURRICULUM OVERVIEW

- **School Safety Overview** – Refresh the purpose of school-based policing.
- **The SRO Roles in Schools** – Know the changing expectations and responsibilities.
- **Threat Assessments & The SRO** – Understand the SRO role in threat assessments.
- **SROs & Incident Action Plans** – Gain knowledge in developing action plans for extracurricular after school activities.
- **Legal - Slightly Different Perspective** – Learn what the legal approach is to protecting students and why SROs are an important component to the overall safeguard of students and the school community.
- **ASSET Awareness for SROs** – SROs need to have a better understanding of HB 99 and the *Armed School Staff Essential Training Program*.
- **Legal – School Law Update** – Receive updated and reminders of school associated laws while being an SRO.
- **CPTED for School Based Policing** – Learn the entry level aspects of CPTED and improve your campus safety practices.
- **Current Threats/Trends to Schools** – SROs need to be aware of the current trends that are disrupting educational environments.
- **SROs & The Recovery Process** – SROs are key players in the aftermath crisis response plan. Learn how to better serve your school community in the event of a crisis.
- **De-escalation Awareness** - School Based Policing.
- Topics may be subject to change to best fit the current trends and topics for school-based policing.
